

# Throat Spray Milieu

Concentrated Homeopathic Tincture

2 oz. NPN 80051506

Patient Reference

## Drainage Tonifiers

## Throat Drainage & Tonification

**Drainage and Tonification is central to the healing process.** It is well understood that until the extra cellular matrix is clarified, there will not be complete cellular resolution. 1) BioToxicosis remedies such Lymph 1, 2, and 3 assist in the clarification of the systemic drainage pathways 2) Spagyric botanicals decongest, drain and detoxify at the physical level and 3) the Milieu Series provide homeopathic drainage at the point of focal interference. Utilizing this combination, the local and systemic ECM drainage pathways are liberated and healing is the natural outcome as obstacles to cure are no longer an issue. *As an added bonus feature, the Milieu Drainage Tonifiers also contain specific flower remedies designed to assist in the drainage and tonification of the emotional terrain.*

Homeopathic drainage is considered to be a functional process, traditionally accomplished using low potentized remedies. Today, the increasing xenobiotic onslaught upon our world requires a more extended approach.

The Milieu Series of remedies was eclectically and thoughtfully crafted to provide a more global understanding of a case picture. The addition of complementary tonification factors assist in preparing the body for deeper, safe detoxification.

Each remedy provides *gentle drainage and tonification, without causing the immediate release of cellular toxins*, which can create additional complications for BioToxicosis and Homeotoxicological processes.

A blend of low potentized, ascending homeopathic glands and hormones combine elegantly with Spagyric botanicals, polychrests, cell salts and flower essences to complete the case picture and ensure a well measured and proportionate response.

Western-approach clinicians report successful integration of the Milieu drainage and tonification remedies in acute situations related to the organ or causal chain indicated. TCM practitioners find that drainage remedies nourish the blood, chi, yin and yang. Similar results are reported in healing arts' approaches around the world, although with different "poetry", including Ayurveda, South American traditional medicine, etc.

*These unique remedies work exceptionally well in opening up conditions that are stuck or potentially cloaked.*

Many throat sprays contain up to 96% alcohol and other ingredients (including sugars, etc.) to moisten the membranes and while arguably give some relief, do nothing to address the causative factors.

Naturally pleasant tasting *Throat Spray Milieu* works homeopathically to address the levels of cause.

Examples of contributing factors to sore throats include:

- Mouth breathing (can cause drying and irritation of the throat)
- Gastric reflux
- Common cold & flu
- Infectious mononucleosis
- Allergies to pollens, molds, pets, "sick house syndrome"
- Strep throat
- Tonsillitis
- Ongoing sinus infections
- Viral pharyngitis
- Dry heat, pollutants, chemicals, chronic stuffy nose
- Straining the voice
- Immune insufficiencies
- Fungal infections/Candida/mycoplasmas

Coxsackie virus may cause blisters in the throat, especially in the late summer and early fall. Mononucleosis and the flu can also cause specific viral throat infections.

*Adrenal insufficiency needs to be addressed with sore throats lasting more than 5-7 days.*

*Throat Spray Milieu may technically be more of a detoxifier than a drainage and tonification remedy, however since it strategically employs a heavy complement of drainage and tonifying Spagyric botanicals and homeopathics it fits well into this category.*

Drainage without tonification will prove ineffective, as cells and organs may well buckle under the strain of detoxification. The patient may feel better initially, however, in the long run, the damage will be apparent often in the form of other conditions.

### Ingredients:

Apis mellifica 12X  
Baptisia tinctoria 3X  
Belladonna 12X  
Commiphora myrrha 1X  
Echinacea angustifolia 1X

Ferrum phosphate 6X  
Hepar sulphuris calcareum 12X  
Hydrastis canadensis 1X  
Lachesis muta 12X  
Mercurius solubilis 12X  
Phytolacca decandra 3X

Salvia officinalis 1X  
Syzygium aromaticum 1X  
Thymus vulgaris 1X
